SUBJECT: Call to Convention - New Mexico Federation of Chapters April 15-17, 2010

Dear NARFE Members,

On behalf of the New Mexico Federation of Chapters, I invite you to attend our 49th Annual Convention at the historic Sagebrush Inn and Convention Center in Taos, NM!

We are ***“Renewing the Promise”*** to ensure your government continues to deliver on the commitments made to you -- its faithful employees and retirees.

This invitation is extended to all NARFE members -- in every state and region. While the general session includes business that is specific to the New Mexico Federation, there are several other activities planned that are just plain fun! The Thursday evening mixer will include a live band and dancing and great food and entertainment will be featured at the Friday night banquet. To ensure you have plenty of time to explore Taos and the surrounding area, our host hotels will extend the special group rates for two days before and after the convention dates. I am impressed with the facilities and accommodations and I think you will agree that the price is right!

TAOS is the “Soul of the Southwest” and truly the jewel of New Mexico. Recognized throughout the nation and the world for its unique place in the history of the United States, its preservation of old world culture and nurturing of new ideas and creativity can only be truly understood by those who arrive as visitors and leave as transformed souls!

Registration and lodging information are included with the enclosed “Invitation to Convention” from Mr. Raymundo Garcia, Taos Chapter President and convention Chair. If there is anything you would like to see more or less of at the convention, please let me know. It is always a treat for me to see long-time friends and to make new ones. I hope to see you there!

Mary Ellen McKay

Federation President

Enclosure:

Invitation from Mr. Garcia, Taos Chapter President
