The New Mexico Federation Conference is held biennially and focuses on Federation and Chapter issues. The Region VII Conference is held biennially to bring together NARFE members to inform, motivate and improve communications and performance via group discussions. It provides an opportunity for members to exchange ideas and information in select areas of leadership and management. This year's theme, **Pride-Access-Knowledge** (Pride in being a Federal employee-Access to our leaders-leads to Knowledge for all members) will strive for improvements for all members to unite as one entity, involving all members at all levels.

The New Mexico Federation Conference on April 4<sup>th</sup> is primarily for New Mexico members. However, all NARFE members are welcome. The Reception Thursday evening, April 4<sup>th</sup>, is for all NARFE members from Region VII, and invited guests, and we hope you will be able to attend.
